2021

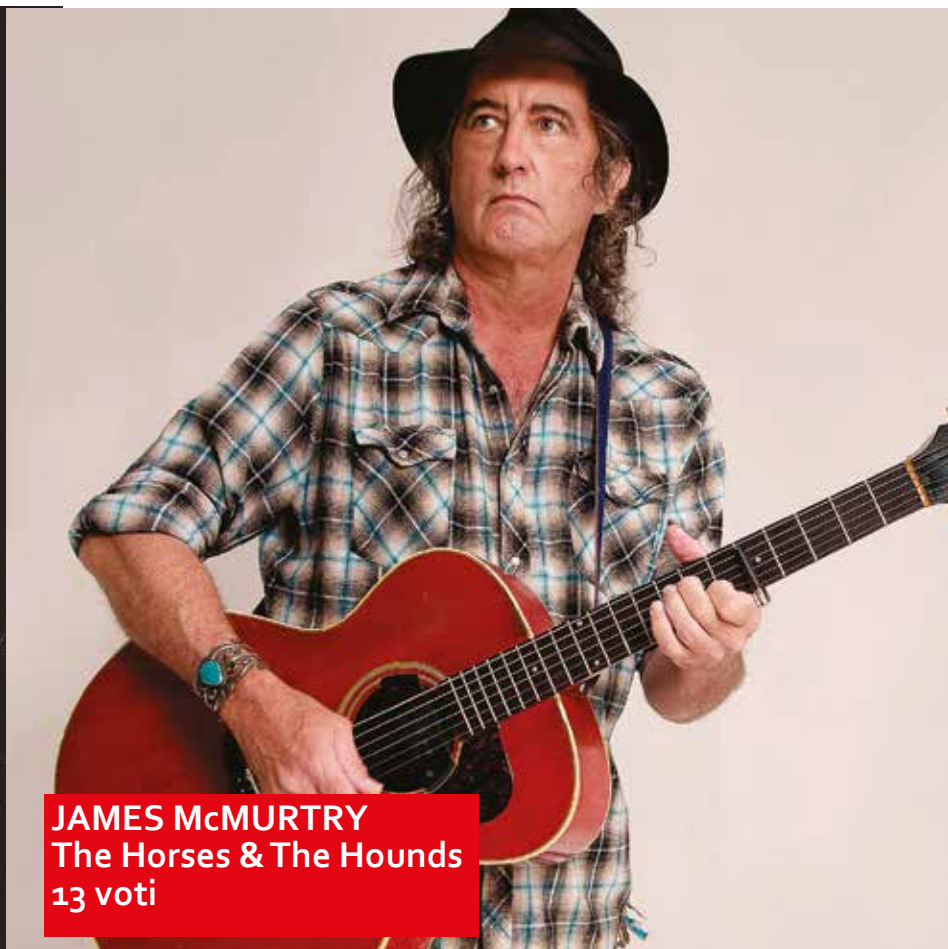

UN ANNO DECISAMENTE SODDISFACENTE

Il 2021 mette in fila, uno dopo l'altro, tre vincitori. Se non andiamo errati è la prima volta che succede. E se **Van Morrison** è di casa, nei top del Buscadero, **James McMurtry** ci arriva per la prima volta. Mentre **Neil Young**, con tutti i dischi che ha messo sul mercato, ci è arrivato per via naturale. Un risultato certamente inatteso, anche se i nomi sono quelli che, normalmente, trovano largo spazio sulla nostra rivista. Ma è una classifica per certi versi anomala, piena di nomi noti con poche novità, per quanto riguarda gli esordienti o gli sconosciuti. Scorrendo i vari musicisti che appaiono nel Poll 2021, sono ben pochi i nomi nuovi. **Eddie gV**, chitarrista blues di grande forza espressiva, **Andrea Zabala Parodi**, che è comunque un nome che appare spesso sulle nostre pa-

gine, **Thom Chacon**, un emergente che, sulla nostra rivista, ha sempre trovato spazio. **Brandi Carlile**, al suo esordio nella nostra classifica, **Black Country New Road**, band assolutamente nuova, **Sprngtime**, **GA-20**, **Steve Gunn**, **Joanna Connor**, **Neilson Hubbard**, **James Maddock**. Tutti però nella parte bassa della classifica, nel reparto a due voti. Il resto è noto. A conferma della realtà musicale, dove il talento fa la differenza. Tolti i primi tre, abbiamo gente del calibro di **Bruce Springsteen**, **Los Lobos**. **Gov't Mule**, **Robert Plant & Alison Krauss**, **David Crosby**, **Lucinda Williams**, **Massimo Priviero**, **The Flatlanders**, **Tedeschi Trucks Band**, **Black Keys**, **Jason Isbell**. E via di questo passo. Nel 2021 il Busca ha privilegiato la qualità: gente già conosciuta, è vero, ma

musicisti con la maiuscola, gente che ha sempre fatto grandi dischi. A parte i primi tre, quelli che seguono non sono certo dei novellini o degli emergenti, ma sono musicisti con una lunga carriera alle spalle, con dischi di tutto rispetto e storie più volte raccontate. Da sempre, noi privilegiamo la qualità, i dischi con la maiuscola. E se a farli sono degli sconosciuti, non ci tiriamo certo indietro. Ma se, come quest'anno, la musica migliore arriva da gente che abbiamo sempre portato in palmo di mano, questa è una cosa che fa piacere e che conferma che abbiamo sempre cercato di dare più spazio a chi se lo meritava. Alla grande musica. Anche per questo il 2021 è un anno decisamente soddisfacente.
